The Inked Perspective

Jacob Gardner (Jake) started *The Inked Perspective* during his Bachelor of Fine Arts in Creative Writing through Full Sail University. With over eighteen years of experience in collecting tattoos, Jake has a deep appreciation for the art, history, and process of all things tattoo. His blog covers tattoos, alternative lifestyle, and local ongoings of Ozark, Missouri.

As of 2026, *The Inked Perspective* has accumulated over 757 visitors and over 1,100 views. His Instagram has 189 followers and over 1,500 views in the last 90 days, while his Facebook profile has 66 followers and over 11,300 views.

As a journalist, Jake has covered everything from Ozarks history to Tattoo aftercare. *The Inked Perspective* is currently setting up and gathering content for its YouTube channel. His current business, [Hollow Root Media](#), offers writing, photography, and journalism services. You can visit his blog at www.theinkedperspective.com.
